• Special Intentions and Remembrances
Let us remember in our collective dua and keep close to our hearts all those who are recovering from illness, injury, or incapacitation (physical, spiritual, emotional) at home or in facilities during this time. May Allah SWT offer them ease along their journey and grant them relief from any suffering they may feel. Let us offer ongoing dua for the following Brothers Saleem Ahmed, Harrel Lateef, Sister Raheemah Abdullah, and Brother Imam Mufid Abdullah.

• Also, let us bring to mind those in our community who have transitioned on from this life since we last saw them and returned to Allah. May Allah SWT, in all infinite Wisdom, forgive them their sins and grant them a place of eternal paradise.

• Please do not forget Al-Ma’un committee: SPECIAL ANNOUNCEMENT (on behalf of Rosie Muhammad, Chair): The Al-Ma’un Neighborly Needs (Sick) Committee is requesting community support in funding our committee. Due to the COVID-19 Virus, our monthly fundraiser ended the first Friday in January 2020. The Al-Ma’un Committee is all of us at Masjid Al-Mu’minun and we are dedicated to continue our support to every sick or hospitalized member and their immediate family members. Please help us to keep our committee funded with your generous donation.
